# Inclusion

@ Reigate Park Primary Academy

## Reigate Park Primary Academy

Reigate Park Primary Academy is a larger than average mainstream school of 370 pupils which was newly built in June 2015. It is situated within the Mackworth area of Derby.

The school is built on 2 levels with a lift available. Reigate Park joined Harmony Trust in September 2018. We educate children within the primary age range, 3 -11 years. Children with an Education, Health and Care Plan, who are deaf, can access enhanced resources at Reigate in order to ensure their provision is met within a mainstream classroom.

### What should I do if I'm concerned about my child?

At Reigate Park we actively encourage parents to be involved in their children's education. Parents will be involved in all stages of the Special Educational Needs (SEND) procedure.

Parents who are concerned about any issues regarding SEND should, in the first instance, contact school and discuss their concerns with the Class Teacher/Special Educational Needs Coordinator (SENCO)/SEND Phase Leaders or any other member of staff involved with their child's education.

## Are the staff at Reigate fully trained to support my child's SEND needs?

Our staff are trained in the following:

- National Award for SENCOs,
- Use of Epi-pens.
- Speech and Language Therapy.
- Our Teachers of the Deaf are fully qualified.
- All staff working with deaf children have additional qualifications in British Sign Language.
- Assistant Principal/SEND Phase Leader trained in Lego Therapy/ Social Stories/Comic Strip Conversations

### How will my child be supported on a daily basis in class?

- All classes and the hall have access to a Soundfield system
- Some deaf pupils have personal radio aids.
- All classes use a visual approach to learning, including using symbols to support children's understanding
- All children have access to concrete resources in maths
- All children with SEND have a One Page Profile and a personalised provision map to ensure the provision they receive meets their individual needs.

## Are there any small group/1:1 sessions available for my child?

All children with SEND are taught within a mainstream class. They may also receive targeted small group/1:1 support including:

### Communication and Interaction

- Speech and Language Programmes.
- Speechlink
- Social Stories
- Early Talk Boost/Talk Boost
- Social communication skills group.

### Cognition and Learning

- Class teacher interventions.
- Accelerated Reader
- Targeted MEP work
- Pre and post teaching

### Social and Emotional Difficulties

- Meet and Greet
- Lunchtime Nurture Group
- Empathic Behaviour Plans
- Key ring Strategies
- Lego Therapy
- Anxiety Gremlin Intervention

### Sensory and Physical Needs

- Individual Health Care Plans
- Medical One Page Profiles
- Specialist Teacher of the Deaf Support
- Individual Occupational/physio Therapy Programmes
- Physical Literacy
- Access to Sensory Circuits
