

Task 6

Make the most unique butterfly!

Our task this week is in recognition of World Autism Awareness Week. There are many symbols used to raise awareness of autism. Recently, some people have begun using a butterfly. The butterfly symbolises beauty in diversity, change in its own time and continuing development.

The Taskmaster is looking for the most colourful, creative butterflies.
How you create your butterfly is entirely up to you!

Send a photo of your butterfly to
taskmaster@reigate.theharmonytrust.org
by Thursday 1st April.

Please only submit photos you're happy to be showcased online.

In school next week, children will be discussing Autism and how we continue to make our school an autism friendly environment.
